

Innova Institute Professional Development

Event Schedule 2024-2027

Orientation Program

The orientation program is conducted from October 2024 to December 2024.

It aims to acquaint new students with the academic and social aspects of campus life.

Topics covered in the program include academic advising, campus resources, and extracurricular activities.

The program helps students feel welcome and become active members of the campus community.

Career Counseling Workshop

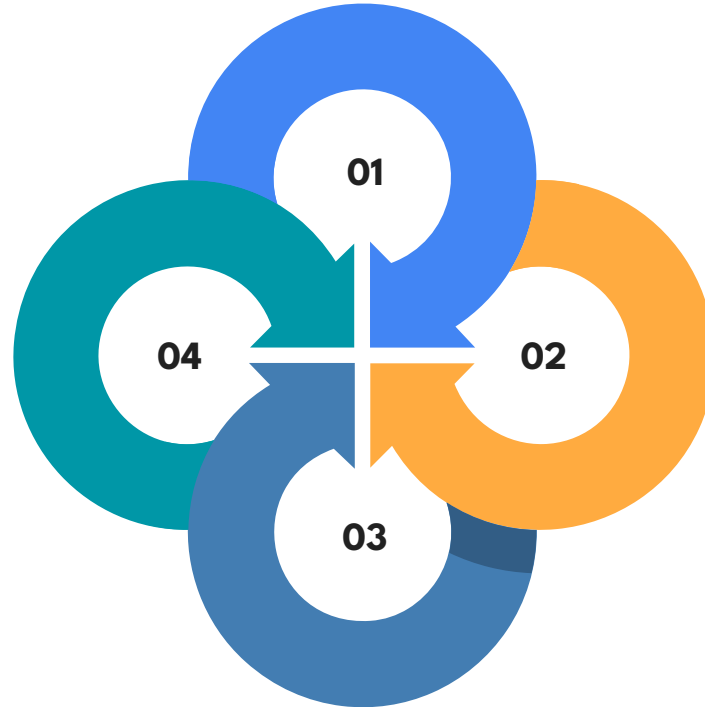

- The career counseling workshop is conducted from January 2025 to March 2025.
- It aims to help students explore their career options and identify their strengths and weaknesses.
- Activities in the workshop include skills assessments, personality tests, and informational interviews.
- The workshop helps students make informed decisions about their future career paths.

Skill Development Workshop

Topics covered in the workshop include critical thinking, time management, and teamwork.

The skill development workshop is conducted from April 2025 to June 2025.

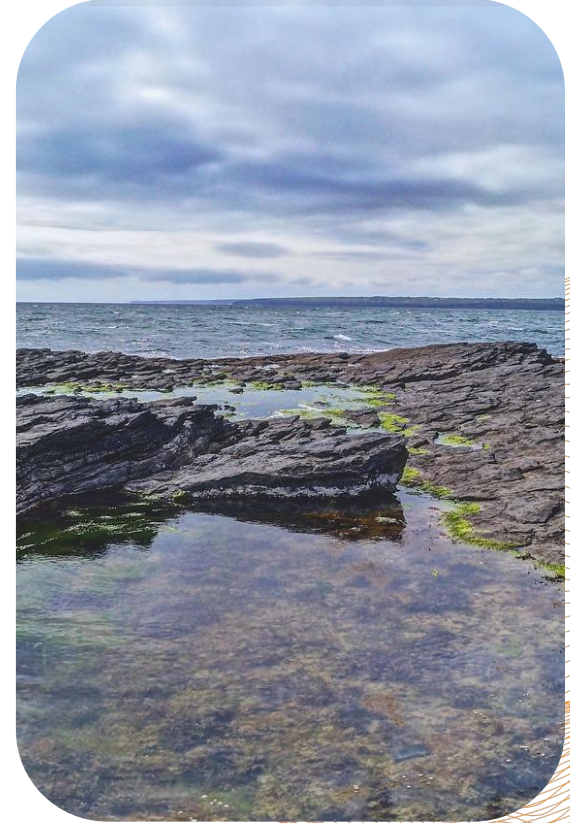

It aims to help students develop the skills needed to succeed in their future careers.

The workshop provides students with opportunities to practice their skills through group projects and presentations.

Internship Fair

- The internship fair is conducted from July 2025 to September 2025.
- It aims to connect students with potential employers and internship opportunities.
- Representatives from various companies and organizations attend the fair to showcase their offerings and network with students.
- The internship fair helps students gain exposure to the professional world and secure valuable work experience.

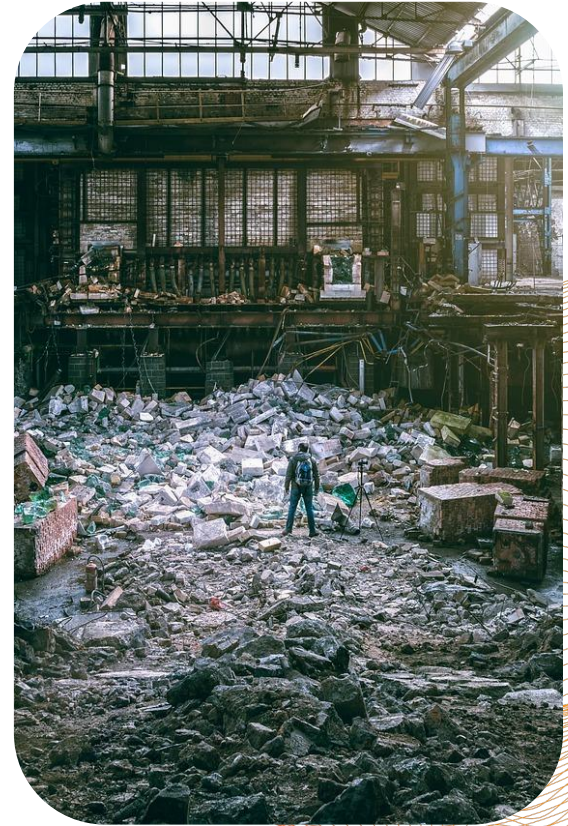

Resume and Cover Letter Workshop

- 01** Activities in the workshop include resume and cover letter reviews, tailored feedback, and best practices for formatting and content.
- 02** The resume and cover letter workshop is conducted from October 2025 to December 2025.
- 03** It aims to help students craft effective resumes and cover letters tailored to their career goals.
- 04** The workshop prepares students for job applications and interviews by showcasing their skills and experiences.

Industry Interaction Session

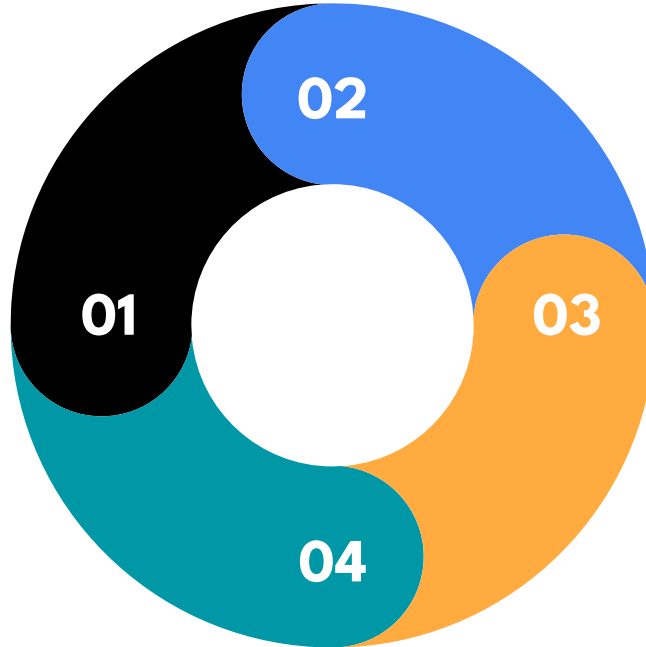

- The industry interaction session is conducted from January 2026 to March 2026.
- It aims to expose students to various industries and careers.
- Guest speakers from various companies and organizations attend the session to share their experiences and insights about their respective fields.
- The session helps students gain a better understanding of their future career options and network with professionals in their desired industries.

Alumni Panel Discussion

The alumni panel discussion is conducted from April 2026 to June 2026.

It aims to provide students with insights on how to succeed in post-college life.

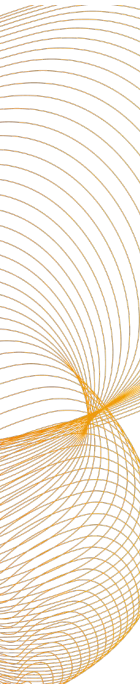

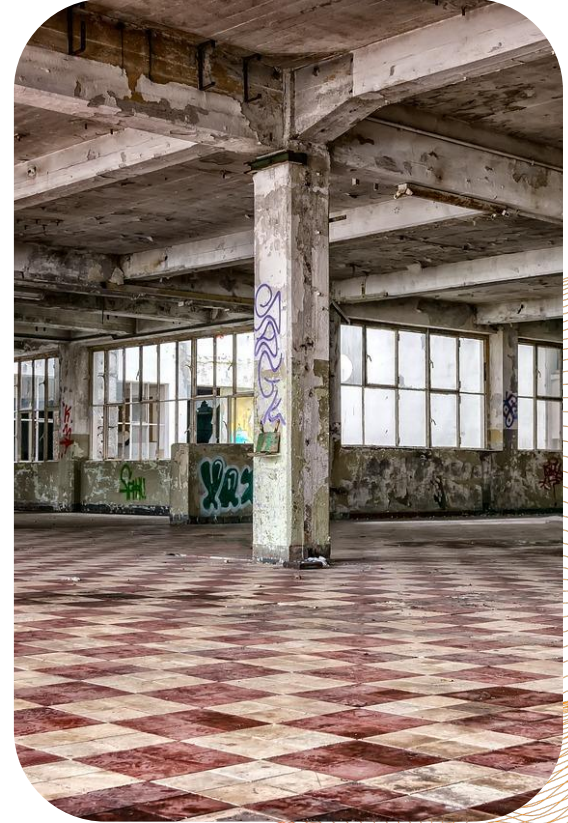

A panel of alumni attend the discussion to share their experiences and offer advice on topics such as job searching, financial planning, and work-life balance.

The panel discussion prepares students for the challenges and opportunities of life after college.

Industry Research Presentation

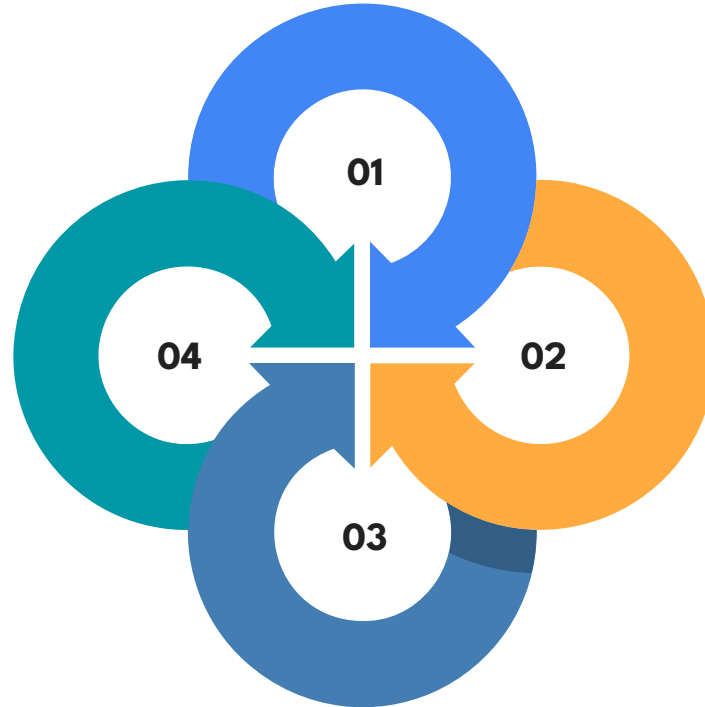

- The industry research presentation is conducted from July 2026 to September 2026.
- It aims to provide students with an overview of various industries and their current trends and challenges.
- Students conduct research on the industries and present their findings to the class.
- The presentation helps students gain a better understanding of the professional world and identify areas for potential career growth.

Mock Interviews

Students receive tailored feedback and best practices on how to present themselves professionally.

Mock interviews prepare students to showcase their skills and experiences to potential employers.

The mock interviews are conducted from October 2026 to December 2026.

It aims to help students prepare for real job interviews by conducting mock interviews in a simulated environment.

Professional Networking Event

- The professional networking event is conducted from January 2027 to February 2027.
- It aims to provide students with opportunities to create meaningful connections with professionals and potential employers.
- Activities in the event include networking sessions, informational interviews, and resume reviews.
- The networking event helps students expand their professional networks and gain insights on how to excel in their desired fields.
