## Empowering Counsellors Through AI Tools

The Counsellors Meet 2025 brings together school counsellors, academic leaders, and thought pioneers to celebrate the pivotal role of counsellors in shaping student futures. This event is themed around the transformative power of AI in education and career guidance — offering practical insights, appreciation, and networking opportunities.

## EVENT HIGHLIGHTS

### Keynote Address

Hear from the expert as they share insights into the transformative role of AI in counselling and guidance.

### Panel Discussion

Guiding Students in the Age of AI, Automation & Global Education

### Interactive Activity

“Wall of Impact” – Share your most inspiring student success stories

### Appreciation Ceremony

Honouring school counsellors with certificates, gifts & a group photo with the Chief Guest

### Networking Lunch

Connect with fellow counsellors, leaders, and AI innovators
