About Innova

Turn Your Ideas into a Branded, Pitch- Ready Business with Canva

This 4-week program is designed for aspiring entrepreneurs, freelancers, and small business owners looking to build their brands using Canva. Through guided sessions, you'll learn to design professional content, set up a digital presence, and create marketing assets that stand out in a competitive landscape.

The course also covers freelancing strategies, digital monetization, and personal branding essentials. Whether you're building a startup or a creative portfolio, CanvaPreneur helps you turn ideas into visuals, and visuals into impact—with your final project being a full-fledged business branding kit and a startup pitch deck.

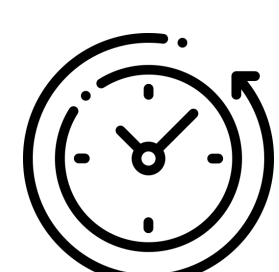

Master Visual Branding with Canva Tools

Learn to design logos, templates, and brand assets that reflect your vision and communicate your value clearly.

Build, Pitch, and Monetize Your Business

Develop a complete branding kit, craft your pitch deck, and explore freelancing platforms to monetize your Canva skills.

Entrepreneurial Mindset

The first week builds a strong foundation in both entrepreneurial thinking and Canva fundamentals. You'll explore different types of entrepreneurs, validate startup ideas, and develop a problem-solving mindset.

Simultaneously, you'll get hands-on with Canva's interface, learning how to create your first digital designs using ready-made templates and tools.

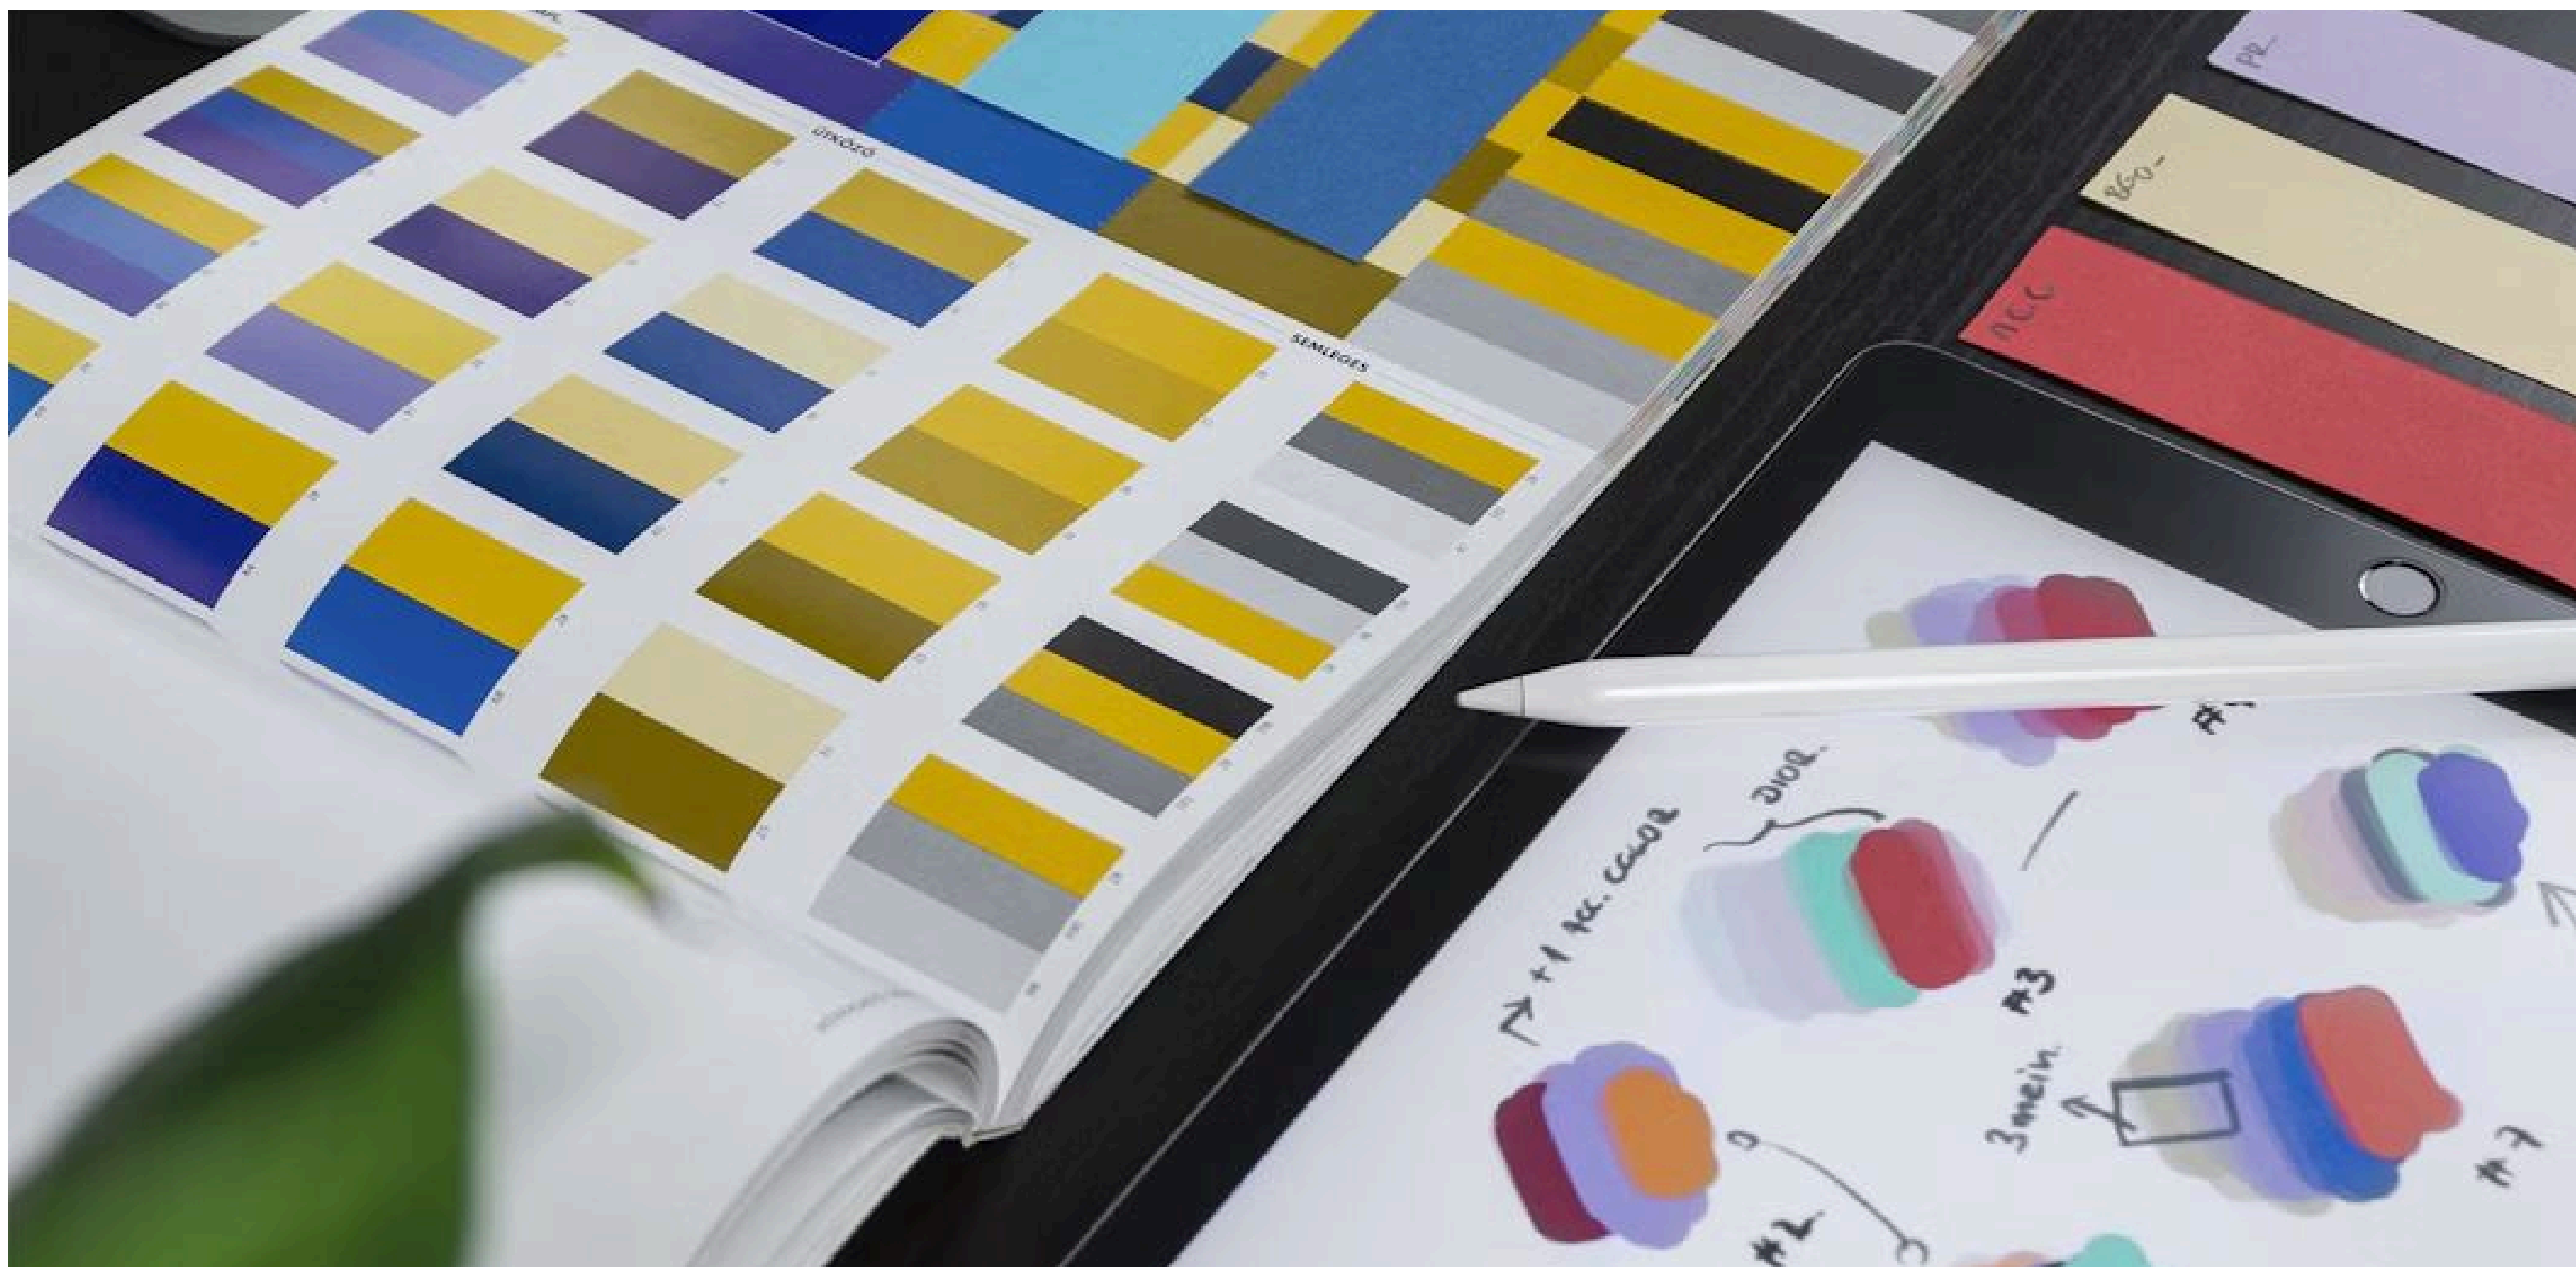

Topics Covered

- What is Entrepreneurship?
- Types of Entrepreneurs & Startup Journey
- Problem Solving, Idea Validation & Mindset
- Introduction to Canva: Interface, Templates, and Tools
- Creating First Designs: Posters, Flyers, Stories
- Branding Basics: Color Psychology, Typography, Layout
- Creating Your Own Brand Kit in Canva

Brand Building + Product Design

Week two focuses on turning your ideas into a personal brand. You'll learn to design digital resumes, portfolios, and product mockups that reflect your identity. The sessions also cover creating business materials like menus, e-books, and proposals—all crafted using Canva's templates to establish a consistent and professional visual language.

Topics Covered

- Building Personal Brand: Canva CVs, Portfolios
- Digital Profiles for Instagram, LinkedIn
- Product Mockups: Menus, Brochures, E-books
- Canva for Freelancers & Small Business Services
- Designing Business Cards, Proposals, Presentations
- Creating Brand Guidelines Using Canva Templates

Marketing, Growth & Monetization

This week dives into marketing strategies and how to grow your brand online. Learn to design content for Instagram, YouTube, and Reels, while planning your campaigns. You'll also explore how to monetize your Canva skills through freelancing platforms, pricing strategies, and designing client proposals that win business.

Topics Covered

- Social Media Strategy & Content Planning
- Designing Instagram, YouTube, and Reel Covers
- Canva + Tools Integration (WhatsApp, Trello, QR Codes)
- Designing Lead Magnets: Freebies, Landing Pages
- Monetizing Canva Skills: Fiverr, Upwork, Etsy
- Creating Pricing Sheets, Client Proposals & Portfolios

Build, Brand & Pitch

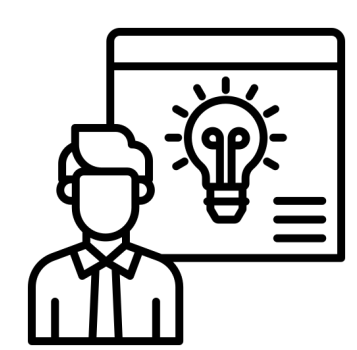

In the final week, you'll apply everything you've learned to create your own brand identity and pitch-ready startup. This is your chance to build a visual brand from the ground up using Canva.

From logos to social media kits and presentations, you'll develop a portfolio that reflects your business vision and creative strategy.
